Initial Capital Contributions

Each of the Partners has contributed or will contribute to the capital of the Partnership, in cash or property or in non-monetary contributions in agreed upon value, as follows (the "Initial Capital Contribution"):

Partner	Contribution Description	Agreed Value

All Partners must contribute their respective Initial Capital Contributions fully by

Additional Capital

The capital contribution of a Partner comprises that Partner's Initial Capital Contribution and any additional capital contribution (the "Additional Capital Contribution") made by that Partner to the Partnership at a later date (together the "Capital Contribution"). No Partner will be required to make an Additional Capital Contribution. When the Partnership requires additional capital, each Partner will have the opportunity to make an Additional Capital Contribution in proportion to that Partner's share of the total Capital Contributions to the Partnership. If an individual Partner is unwilling or unable to meet the additional contribution requirement within a reasonable period, as required

by Partnership business obligations, then by a unanimous vote of the Partners the remaining Partner may contribute in proportion to their existing Capital Contributions to resolve the amount in default.

Any advance of money to the Partnership by any Partner over the amounts provided for in this Agreement or subsequently agreed to as Additional Capital Contribution will be deemed a debt owed by the Partnership and not an increase in Capital Contribution of the Partner. This liability will be repaid with interest at rates and times to be determined by a majority of the Partners within the limits of what is required or permitted in the Act. This liability will not entitle the lending Partner to any increased share of the Partnership's profits nor to greater voting power. Such debts may have preference or priority over any other payments to Partners as may be determined by a majority of the Partners.

Withdrawal of Capital

No Partner will withdraw any portion of their Capital Contribution without the express written consent of the remaining Partners.

Capital Accounts

An individual capital account (the "Capital Accounts") will be maintained for each Partner, and their Initial Capital Contribution will be credited to this account. Any Additional Capital Contributions made by any Partner will be credited to that Partner's individual Capital Account.

Interest on Capital

No borrowing charge or loan interest will be due or payable to any Partner on their agreed Capital Contribution inclusive of any agreed Additional Capital Contributions.

Financial Decisions

Decisions regarding the distribution of profits, allocation of losses, and the requirement for Additional Capital Contributions as well as all other financial matters, will be decided by a unanimous vote of the Partners.

Profit and Loss

Subject to any other provisions of this Agreement, the net profits and losses of the Partnership, for both accounting and tax purposes, will accrue to and be borne by the Partners in equal proportions unless an Additional Capital Contribution has been made which changed the Initial Capital Contribution proportions of the Partners in which case each Partner will share in the net profit and losses of the Partnership in proportion to the new Capital Contributions (the "Profit and Loss Distribution").

Books of Account

Accurate and complete books of account of the transactions of the Partnership will be kept in accordance with generally accepted accounting principles (GAAP) and at all reasonable times will be available and open to inspection and examination by any Partner. The books and records of the Partnership will reflect all the Partnership's transactions and will be appropriate and adequate for the business conducted by the Partnership.

Annual Report

As soon as practicable after the close of each fiscal year, the Partnership will furnish to each Partner an annual report showing a full and complete account of the condition of the Partnership. This report will consist of at least the following documents:

1. a statement of all information as will be necessary for the preparation of each Partner's income or other tax returns;
2. a copy of the Partnership's federal income tax returns for that fiscal year; and
3. any additional information that the Partners may require.

Banking and Partnership Funds

The funds of the Partnership will be placed in such investments and banking accounts as will be designated by the Partners. Partnership funds will be held in the name of the Partnership and will not be commingled with those of any other person or entity.

Fiscal Year

The fiscal year will end on January 1 of each year.

Audit

Any of the Partners will have the right to request an audit of the Partnership books. The cost of the audit will be borne by the Partnership. The audit will be performed by an accounting firm acceptable to all the Partners. Not more than one (1) audit will be required by any or all of the Partners for any fiscal year.

Management

All the Partners will be consulted and the advice and opinions of the Partners will be obtained as much as is practicable. However, the Managing Partner will have management and control of the day-to-day business of the Partnership for the purposes stated in this Agreement. All matters outside the day-to-day business of the Partnership will be decided by a unanimous vote of the Partners.

_____ will be the Managing Partner. The term "Managing Partner" will

also include any party subsequently appointed to that role.

In addition to day-to-day management tasks, the Managing Partner's duties will include keeping, or causing to be kept, full and accurate business records for the Partnership according to generally accepted accounting principles (GAAP) and overseeing the preparation of any reports considered reasonably necessary to keep the Partners informed of the business performance of the Partnership.

A Managing Partner can voluntarily withdraw from the position of Managing Partner or can be replaced by a unanimous vote of the remaining Partners. In the event of a withdrawal or removal of the Managing Partner from the position of Managing Partner or from the Partnership, the remaining Partners will have equal rights in the management of the Partnership until they appoint a successor Managing Partner.

The Managing Partner will not be liable to the remaining Partners for any action or failure to act resulting in loss or harm to the Partnership except in the case of gross negligence or willful misconduct.

Contract Binding Authority

Each Partner will have the authority to bind the Partnership in the contract.

Tax Elections

The Partnership will elect out of the application of Chapter 63 Subchapter C of the Internal Revenue Code of 1986, in each taxable year in which it is eligible to do so in accordance with Section 6221(b), by making that election in a timely filed return for such taxable year disclosing the name and taxpayer identification number of each Partner.

Meetings

Regular meetings of the Partners will be held as required.

Any Partner can call a special meeting to resolve issues that require a vote, as indicated by this Agreement, by providing all Partners with reasonable notice. In the case of a special vote, the meeting will be restricted to the specific purpose for which the meeting was held.

All meetings will be held at a time and in a location that is reasonable, convenient and practical considering the situation of all Partners.

Admitting a New Partner

No new Partners may be admitted into the Partnership.

Voluntary Withdrawal of a Partner

Any Partner will have the right to voluntarily withdraw from the Partnership at any time. Written notice of intention to withdraw must be served upon the remaining Partners at least three (3) months prior to the withdrawal date.

The voluntary withdrawal of a Partner will result in the dissolution of the Partnership.

A Dissociated Partner will only exercise the right to withdraw in good faith and will act to minimize any present or future harm done to the remaining Partners as a result of the withdrawal.

Involuntary Withdrawal of a Partner

Events resulting in the involuntary withdrawal of a Partner from the Partnership will

include but not be limited to: death of a Partner; Partner mental incapacity; Partner disability preventing reasonable participation in the Partnership; Partner incompetence; breach of fiduciary duties by a Partner; criminal conviction of a Partner; Expulsion of a Partner; Operation of Law against a Partner; or any act or omission of a Partner that can reasonably be expected to bring the business or societal reputation of the Partnership into disrepute.

The involuntary withdrawal of a Partner will result in the dissolution of the Partnership.

A trustee in bankruptcy or similar third party who may acquire that Dissociated Partner's interest in the Partnership will only acquire that Partner's economic rights and interests and will not acquire any other rights of that Partner or be admitted as a Partner of the Partnership or have the right to exercise any management or voting interests.

Dissociation of a Partner

Where the dissociation of a Partner for any reason results in the dissolution of the Partnership then the Partnership will proceed in a reasonable and timely manner to dissolve the Partnership, with all debts being paid first, prior to any distribution of the remaining funds. Valuation and distribution will be determined as described in the Valuation of Interest section of this Agreement.

The remaining Partners retain the right to seek damages from a Dissociated Partner where the dissociation resulted from a malicious or criminal act by the Dissociated Partner or where the Dissociated Partner had breached their fiduciary duty to the Partnership or was in breach of this Agreement or had acted in a way that could reasonably be foreseen to bring harm or damage to the Partnership or to the reputation of the Partnership.

Dissolution

Except as otherwise provided in this Agreement, the Partnership may be dissolved only with the unanimous consent of all Partners.

Distribution of Property on Dissolution of Partnership

In the event of the dissolution of the Partnership, each Partner will share equally in any remaining assets or liabilities of the Partnership, unless an Additional Capital Contribution has been made which changed the Initial Capital Contribution proportions of the Partners in which case the Partners will share the assets or liabilities in proportion to their respective Capital Contributions (the "Dissolution Distribution").

Upon Dissolution of the Partnership and liquidation of Partnership Property, and after payment of all selling costs and expenses, the liquidator will distribute the Partnership assets to the following groups according to the following order of priority:

1. in satisfaction of liabilities to creditors except Partnership obligations to current Partners;
2. in satisfaction of Partnership debt obligations to current Partners; and then
3. to the Partners according to the Dissolution Distribution described above.

The claims of each priority group will be satisfied in full before satisfying any claims of a lower priority group. Any excess of Partnership assets after liabilities or any insufficiency in Partnership assets in resolving liabilities under this section will be shared by the Partners according to the Dissolution Distribution described above.

Valuation of Interest

In the absence of a written agreement setting a value, the value of the Partnership will

be based on the fair market value appraisal of all Partnership assets (less liabilities) determined in accordance with generally accepted accounting principles (GAAP). This appraisal will be conducted by an independent accounting firm agreed to by all Partners. An appraiser will be appointed within a reasonable period of the date of withdrawal or dissolution. The results of the appraisal will be binding on all Partners. A withdrawing Partner's interest will be based on that Partner's proportion of the Dissolution Distribution described above, less any outstanding liabilities the withdrawing Partner may have to the Partnership. The intent of this section is to ensure the survival of the Partnership despite the withdrawal of any individual Partner.

No allowance will be made for goodwill, trade name, patents or other intangible assets, except where those assets have been reflected on the Partnership books immediately prior to valuation.

Goodwill

The goodwill of the Partnership business will be assessed at an amount to be determined by appraisal using generally accepted accounting principles (GAAP).

Title to Partnership Property

Title to all Partnership Property will remain in the name of the Partnership. No Partner or group of Partners will have any ownership interest in such Partnership Property in whole or in part.

Voting

Any vote required by the Partnership will be assessed where each Partner receives one vote carrying equal weight, unless an Additional Capital Contribution has been made which changed the Initial Capital Contribution proportions of the Partners in which case

each Partner will have voting strength in proportion to Capital Contributions.

Force Majeure

A Partner will be free of liability to the Partnership where the Partner is prevented from executing their obligations under this Agreement in whole or in part due to force majeure, such as earthquake, typhoon, flood, fire, and war or any other unforeseen and uncontrollable event where the Partner has communicated the circumstance of said event to any and all other Partners and taken any and all appropriate action to mitigate said event.

Duty of Loyalty

No Partner will engage in any business, venture or transaction, whether directly or indirectly, that might be competitive with the business of the Partnership or that would be in direct conflict of interest to the Partnership without the unanimous written consent of the remaining Partners. Any and all businesses, ventures or transactions with any appearance of conflict of interest must be fully disclosed to all other Partners. Failure to comply with any of the terms of this clause will be deemed an Involuntary Withdrawal of the offending Partner and may be treated accordingly by the remaining Partners.

Duty of Accountability for Private Profits

Each Partner must account to the Partnership for any benefit derived by that Partner without the consent of the other Partners from any transaction concerning the Partnership or any use by that Partner of the Partnership property, name or business connection. This duty continues to apply to any transactions undertaken after the Partnership has been dissolved but before the affairs of the Partnership have been

completely wound up by the surviving Partner or Partners or their agent or agents.

Duty to Devote Time

Each Partner will devote such time and attention to the business of the Partnership as the majority of the Partners will from time to time reasonably determine for the conduct of the Partnership business.

Forbidden Acts

No Partner may do any act in contravention of this Agreement.

No Partner may permit, intentionally or unintentionally, the assignment of express, implied or apparent authority to a third party that is not a Partner in the Partnership.

No Partner may do any act that would make it impossible to carry on the ordinary business of the Partnership.

No Partner may confess a judgment against the Partnership.

No Partner will have the right or authority to bind or obligate the Partnership to any extent with regard to any matter outside the intended purpose of the Partnership.

Any violation of the above Forbidden Acts will be deemed an Involuntary Withdrawal of the offending Partner and may be treated accordingly by the remaining Partners.

Indemnification

All Partners will be indemnified and held harmless by the Partnership from and against any and all claims of any nature, whatsoever, arising out of a Partner's participation in Partnership affairs. A Partner will not be entitled to indemnification under this section

for liability arising out of gross negligence or willful misconduct of the Partner or the breach by the Partner of any provisions of this Agreement.

Liability

A Partner will not be liable to the Partnership, or to any other Partner, for any mistake or error in judgment or for any act or omission done in good faith and believed to be within the scope of authority conferred or implied by this Agreement or the Partnership.

Liability Insurance

The Partnership may acquire insurance on behalf of any Partner, employee, agent or other person engaged in the business interest of the Partnership against any liability asserted against them or incurred by them while acting in good faith on behalf of the Partnership.

Life Insurance

The Partnership will have the right to acquire life insurance on the lives of any or all of the Partners, whenever it is deemed necessary by the Partnership. Each Partner will cooperate fully with the Partnership in obtaining any such policies of life insurance.

Amendments

This Agreement may not be amended in whole or in part without the unanimous written consent of all Partners.
